Name of Applicant: _____

I am eligible for in-state tuition rate based on one or more of the following (Insert initials in the appropriate spaces):

1. ____ I can demonstrate that Connecticut is my permanent home even though I have resided in the State for less than one year.
2. ____ I am the spouse of a person who is eligible for in-state tuition.
3. ____ I am under eighteen years of age, am dependent on my parents and my parent is eligible for in-state tuition.
4. ____ I am a member of the armed forces stationed in Connecticut on military orders.
5. ____ I am under eighteen years of age, dependent on my parents and my parent is a member of the armed forces stationed in Connecticut.
6. ____ I am under eighteen years of age, dependent on my parents and have been continuously in attendance at a school or schools in Connecticut in a degree program in which I am currently enrolled, without yet attaining a degree. During this period, my parent, a member of the armed forces, was stationed in Connecticut but he/she has now been transferred on military orders.
7. ____ My spouse or parent, upon whom I am dependent, has moved to the State and resided here for at least six consecutive months, is employed full-time and has established Connecticut as his/her permanent home.
8. ____ I am under eighteen years of age, dependent on my parents and have been continuously in attendance at a school or schools in Connecticut in a degree program in which I am currently enrolled, without yet attaining a degree. My parents had established Connecticut as their permanent home but they have now left the State.
9. ____ I am a student from another state, territory or possession of the United States, the District of Columbia or the Commonwealth of Puerto Rico who has (a) attended for three years and graduated from a Connecticut high school, and (b) was sponsored, housed and supported during attendance at such school by a program, such as the "A Better Chance" program, established as a nonprofit organization that raises charitable funds on the local level for the purpose of giving students who are minority students, from single parent homes or live in poverty, an opportunity to attend school in a different environment. (For purposes of this subdivision, "minority student" means a student whose racial ancestry is defined as other than white by the Bureau of Census of the United States Department of Commerce.)
10. ____ I can demonstrate that Connecticut is my permanent home even though I am not a citizen of the United States.

I qualify for the NEBHE tuition rate because I am a non-Connecticut resident enrolled in a degree program at a Connecticut Community College and (check at least one):

1. ____ My travel time to _____ Community College is less than it would be if I were attending a similar in-state institution.
2. ____ My chosen degree program (_____) does not exist in my home state.

Certification

I certify that, to the best of my knowledge and belief, I am eligible for in-state or NEBHE tuition as indicated above. However, I understand that I will be considered to be out-of-state until I provide sufficient evidence to support my eligibility for in-state tuition.

I understand that if I have misrepresented my eligibility for in-state tuition, I may be subject to sanctions under the Student Conduct Policy of the Board of Trustees and my admission to the Connecticut Community Colleges may be revoked. In addition, I will be obligated to reimburse the College for the difference between the in-state tuition and out-of-state tuition rate for the period during which I paid the in-state tuition rate to which I was not entitled.

I acknowledge and understand that in order to recover any monies that I owe on account of my payment of the in-state tuition rate to which I was not entitled, the College may pursue all lawful means available to it, including but not limited to the application of any monies held by the College to the amount that I owe for tuition and fees, which I hereby authorize; withholding transcripts until all amounts owed are paid; and any available civil and/or criminal remedies.
